- Permanent/Archipel/Artistic Ecology Brussels/Level Five...
 - o Talk about the mix up of Permanent as the search to antispeculative model and the need for an atelier organization in BXL.
(20min | problem/proposal)
 - Would it be better to realise an atelier organization in which Permanent would be the model project that we strive for, but the atelier organization by and for artist would ensure qualitative studios in BXL in several places in different ways?
 - Would it be keep the name permanent for this anti-speculalitive search to avoid an inflation of the name?
 - What would be a name for the atelier organization Archipel? Artistic Ecology Brussels?
- Other?
